Digital Marketing Library Streamlined

The Digital Marketing Library on [Genworth Pro](#) houses forms and materials used to service our policies. On December 6, 2022, the experience will be streamlined. The look and feel will be very similar to the current platform with a few differences in functionality.

- The search parameters will be more narrow. The current platform searches all meta data as well as the content of the PDFs whereas the new platform will only search the form name and description providing more targeted search results.
- Clicking the link will automatically open the PDF.
- You will no longer add items to a cart to have them emailed. If you need to email the PDF, you may use the email functionality in Adobe Acrobat or save the PDF and email it from your email platform.
- If you need a printed copy of a form or material, please print directly from the PDF.
