- Refer to your contract for the maximum withdrawal amount and number of withdrawals allowed without surrender charge (surrender charges will apply to any withdrawal beyond these limits).
- We will not process any partial withdrawal that would cause the contract to fall below the minimum required contract value (refer to your contract for details) without your consent.
- Making unscheduled withdrawals may cause systematic withdrawals to terminate or may reduce the amount of future systematic withdrawals, and could have adverse tax consequences. Please consult your tax advisor regarding the tax status of distributions from your annuity.
- Your contract value will be reduced by the full amount of your withdrawal request, however the amount payable for the withdrawal may be less due to surrender charges and Market Value Adjustment (MVA), where applicable. Consult your contract for details.
- Withdrawals in excess of the guaranteed withdrawal amount, called “excess withdrawals”, will result in a permanent reduction in future guaranteed withdrawal amounts. If you would like to make an excess withdrawal and are uncertain how an excess withdrawal will reduce your future guaranteed withdrawal amounts, then you may contact us prior to requesting the withdrawal to obtain a personalized, transaction specific calculation showing the effect of the excess withdrawal.

**Income tax withholding**

For state withholding disclosures, please refer to the **Deferred Annuity and Life Withdrawal State Withholding Information form #309704**.

**Withholding notice**

Withholding only applies to the taxable portion of the payment you receive, not to the entire payment. In general, the taxable portion equals the extra amount you receive over the total amount you paid (considered your cost basis).

We cannot guarantee that your withdrawal amounts will be sufficient to meet IRS minimum distribution requirements.

Required minimum distribution (RMD) amounts are not eligible for rollover.

- The taxable portion of withdrawals and surrenders taken before age 59 1/2 may be subject to a 10% penalty tax in addition to ordinary income taxes.
- Federal withholding is generally at a 10% rate, but you may generally elect not to withhold any taxes.
- Federal withholding for distributions from qualified plans is at a 20% rate and is mandatory unless the distribution is rolled over to an IRA or other eligible retirement plan.
- We will assume that the entire withdrawal from an IRA is taxable, except for non-taxable qualified distributions from a Roth IRA.
- If you elect not to have federal and state income tax withheld, you are still liable for payment of federal income tax and, if applicable, state income tax on the taxable portion of the distribution. You may also be subject to tax penalties under the Estimated Tax Payment Rules if any payments of estimated tax and withholding are insufficient (IRS Publication 505 explains federal estimated tax requirements and describes penalties in detail). You may be able to avoid quarterly tax payments by having enough tax withheld from your withdrawals.
- Consult your personal tax advisor regarding the tax status of distributions.
- State tax will be withheld only from the taxable portion of withdrawal payments that are not directly rolled over to an IRA or eligible plan.
- If applicable, the state withholding certificate may state special rules and conditions for withholding state income tax from your withdrawals.

**Substitute Form W-4R for Income Tax Withholding on Lump Sum & Other Nonperiodic Payments**

**Income tax withholding election**

Your withholding selections will apply to all scheduled payments made under this request.

**We will withhold 10% federal and any applicable state taxes if you do not complete this section.**

**Withhold federal taxes**

**1** Your withholding rate is determined by the type of payment you will receive.

- For nonperiodic payments, the default withholding rate is 10%. You can choose to have a different rate by entering a rate between 0% and 100% on line 2. Generally, you can't choose less than 10% for payments to be delivered outside the United States and its possessions.

---

**2** Complete this line if you would like a rate of withholding that is different from the default withholding rate. See additional instructions and Marginal Rate Table referenced below.  
 Enter the rate as a whole number (no decimals).....▶ **2** %

For further information or to see the Marginal Rate Tables, please refer to the actual Form W-4R and instructions found on the IRS Website at <https://www.irs.gov/pub/irs-pdf/fw4r.pdf>.

Substitute Form W-9 (an official IRS Form W-9 with instructions is available by download at IRS.gov)

If you are not a U.S. citizen or other U.S. taxpayer, do not complete this section. You must provide an IRS Form W-8BEN (individual), W-8BEN-E (non-individual), or another applicable IRS form to document your foreign status in order to prevent 30% mandatory withholding. If you do provide the appropriate signed W-8Ben form to us, tax withholding may be as low as 0% and will range up to 30%, depending on any applicable treaty or other agreement.

You must cross out item 2, if you have been notified by the IRS that you are currently subject to backup withholding because of a failure to report all interest and dividends on your tax return.

The Foreign Account Tax Compliance Act (FATCA) is a Federal tax regulation that extends existing reporting requirements to require Foreign Financial Institutions to comply with IRS request of withholding and reporting on U.S. and unidentified account holders.

IRS regulations require certification of FATCA exemption. FATCA codes apply to certain entities, not individuals.

Check appropriate box for federal tax classification:

- Individual/Sole Proprietor, Partnership, Limited liability company, C Corporation, Trust/Estate, S Corporation

Enter the tax classification (C=C corporation, S=S corporation, P=partnership)

Other (see W-9 instructions)

Exemption Code(s) (see form W-9 instructions; generally not applicable to individuals)

Under penalties of perjury, I certify that:

- 1. The number shown on this form (on page 1) is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because:
(a) I am exempt from backup withholding, or
(b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or
(c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined in the form W-9 instructions).
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Non-periodic payment additional disclosure: If you have not previously completed the W-9 and if the Substitute W-9 section is left blank, we will be required to withhold 10% Federal Taxes from the taxable portion of the distribution. Withholding will not be refunded after a transaction has been completed.
