

CareScout's Ecosystem for Aging Care

When someone needs aging care, the most stressful responsibilities often fall on family members and friends who struggle to determine what needs to be done, where it should be done, and who they can trust to do it. When you layer in the uncertainty about how care will be paid for, it can become overwhelming.

At CareScout, we offer the next tier of aging care support — one that provides assistance with **funding, planning, finding, and navigating** aging care.¹

CareScout Ecosystem of Aging Care

This CareScout Ecosystem of Aging Care offers:

A simple, easy-to-understand funding option for future care with CareScout Care Assurance, our long-term care insurance policy.

Personalized support finding the right care, at the right time, and at the right price.

Immediate value from day one — support available to policyholders and their families well before any long-term care need arises.¹

¹Care support includes certain information and referral services for you and your family members. It does not include payment for any care received. Available support differs between policyholders and family members.
